STRATEGY

Sorted on OPS as the primary key and filled by strategy order: cleanup first (Brayden Owens, 2.162 OPS), then slots 3 and 5 on next-best SLG (Owen Vahey 1.395, Casey Klimek 1.263), then slots 1-2 on the best OBP left in the top half (Dustin Klimek .787, Aaron Smith .700), then the rest best-first. Trevor Millen's .783 OBP would have earned slot 2, but his standing instruction to bat in the middle overrides it and he lands at 6 — that is the one place the sort gave way. The result concentrates the top six OPS bats in slots 1-6 with Valentin, Jacob, Pellerin and Bonness grouped at the bottom; Stephen Perry sits per the coach's call.
